

„Life Power“ by Katrina Belamide *

It's all about giving, it's all about trust
It's all about people, it's all about us
It's all about being human and having a heart
It's all about being human and playing your part

It's all about healing, it's all about life
It's all about helping the weak survive
It's all about being human and able to care
It's all about being human and ready to share

CHORUS:

We're talking

LIFE POWER; Red Cross power

The power to be the best that we can be

We're talking

LIFE POWER; setting us free

Red Cross is life power

The power of humanity

It's all about searching and opening doors
It's all about dreaming for those who dream no more
It's all about being human and being fair
It's all about being human and behing there

(chorus)

BRIDGE:

There's a little bit of good in everybody

There's a little bit of good in everyone

This is the power of humanity

The Red Cross spirit in you and me

(chorus)
